May 20th, 2020 - England has long enjoyed a most haunted legacy and with a long and bloody history it's hardly a surprise that almost every city, town and village all share an abundance of ghostly tales of specters and things that go bump in the night from country houses, castles and prisons to the wilderness of the moors and beyond. You can find screaming skulls, haunted houses, headless spirits and even'

'Ghost Tales and Grisly Histories Give Haunted Buildings
May 19th, 2020 - Dr. Waldron said sites of past trauma such as historic jails and asylums seem to have a knack for conjuring up their share of ghostly tales. I think that's why ghost stories are really important not so much whether ghosts are real or not but rather the way they tell us about those dark histories that we don't like to think about.'
